

Directions to SSH 1324

1. Starting near the bookstore in the MU, cross East Quad toward SSH and Young Hall.
2. Walk between the two buildings, stay to the right of the giant stairs.
3. Continue walking along the side of Young Hall.
4. Follow the hedges until you see a square, one-story cement building. On the eastern side of this building is a glass door with a buzzer pad next to it.
5. That's our door! Ring the buzzer for 1324 and someone will meet you at the door.
